

## BIO

Foster Gesten, M.D.

Foster Gesten is the Medical Director for the Office of Health Insurance Programs in the New York State Department of Health. Dr. Gesten provides clinical direction and leadership for a team of professionals engaged in quality oversight, performance measurement and clinical improvement within health plans and public insurance programs in New York.

Major initiatives include the development of statewide public reporting systems for commercial, Medicaid, and Child Health managed care programs on quality, access, and satisfaction, medical home demonstrations, and provider based quality measurement and improvement. His interests include population health, health service research, and quality improvement projects directed at prevention services and chronic care.

Dr. Gesten is a member of the National CAHPS Benchmarking Database (NCBD) Advisory Group, the Committee on Performance Measurement (CPM) at the National Committee for Quality Assurance (NCQA), Expert Panel Member for the Agency for Healthcare Quality (AHRQ) Health Care Innovations Exchange, and the Institute of Medicine (IOM) Committee on Future Directions for the National Healthcare Quality and Disparities Reports.

Dr. Gesten was trained in general internal medicine at Brown University.
